

Publication Permission and Consent

We are seeking your permission to allow the school to publish and/or disclose information about your child for the purposes of sharing his/her experiences with other students, informing school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published or disclosed include but are not limited to:

- School's website,
- School's newsletter,
- School's social media accounts and other associated promotional material.

Parents should be aware that when information is published on public websites and social media channels, it can be discoverable online for a number of years, if not permanently.

If at any time circumstances arise where permission is no longer given, this must be provided in writing to the School Principal.

Please Note: the publication permission is valid for the duration of your child's enrolment at TPSS. You may withdraw or adjust any of your consents at any time by informing the Principal in writing. If you have any queries or need further clarification regarding the above consents then please see the Principal.
